New Business

- Addendum
  - RM advised that the CPO which has oversight of 24 vehicles has had incidents of vehicle theft resulting in the need to increase security and control of access to the vehicle keys. He provided a request to replace the key box in room 106. Per RM costs including labor are estimates only.
    - SM noted that this was an important request and obviously nothing that was thought up at the last minute. She inquired as to why it had not been submitted with all of the other requests. Per RM this had been an ongoing discussion regarding the best way to handle access as well as how to fund it.
    - DV noted that he can quickly pull together an estimate that the Board could do a virtual vote on. MD suggested rather that the proposal be considered an emergency need for this year and use current budget’s contingency funds rather than add on to next year’s budget. The Board could motion to approve up to a specified dollar amount. ND motioned to apply the expense to the current budget’s contingency fund. Inquiry was made regarding the current amount of the contingency fund, ($50,000). KI second the
motion to apply the expense to the current budget's contingency fund however no dollar amount was determined. Vote was taken; 10 approve, 0 against, 0 abstain.

Proposal Voting
- There was a brief general discussion regarding the mechanism of voting on the submitted/discussed proposals. Should voting be done per individual proposal or as part of the over-all budget?
- DV reviewed the items updated on the budget since the last meeting.
- There was a general review and discussion of the proposed budget with ample time for Q&A.
- All questions were answered and a vote on the budget was undertaken. The SAC 2014-15 budget was approved: 10 approve, 0 against, 0 abstain.

Updates

Subcommittees
- There were no subcommittee updates.

Building Manager
- DV provided an update on the pool deck policy suggestions and provided a handout for review. It was suggested by KI that pool deck policy when finalized be added to the Charter. RT and RM suggested pending this for the next Board. ND suggested a motion to approve provisionally. MD suggested that the proposed policy be piloted through fall quarter to see how it works and readdressed by the Board during winter quarter.
  - BB suggested adding that the booking tenant pay for the lifeguard.
  - Clarification was requested for hours of use.
    - Per TO hours of use not to interfere with pool programming or tenant office hours as some tenants, (ROTC) overlook the pool deck. Nothing has been set is stone and is open to modification.
- A vote was taken; 9 approve, 0 against, 0 abstain.

Tenants
- PV noted that the Veteran’s reception held at Wolfgang Puck’s was a nice event and that Puck’s is a good facility for a reception.
