

Photographer

The purpose of the Photographer is to photograph programs and events promoting UCLA Recreation and its partners for use in marketing materials and social media. The candidate would work closely with the Marketing team and other Recreation departments, and be sent out on assignments on campus or occasionally off-campus.

Job Qualifications

Required

- Currently enrolled as a UCLA Undergraduate or Graduate Student
- Professionally represent UCLA Recreation
- Complete a background check
- Knowledge of using DSLR cameras and photographic techniques
- Knowledge of retouching and post-production techniques
- Demonstrate particular skill in action-related photography and be comfortable approaching people for posed shots
- Availability on evenings and weekends for shoots may be required

Preferred

- Having own equipment (DSLR camera and accessories) is preferred but not a requirement
- Having own mode of transportation if shoots are off-campus is preferred, but not a requirement

Job Expectations

- Arrive to shoots on time
- Upload photos to our online photo archive (and edit/retouch as appropriate) within a timely manner
- Ability to work on multiple projects, and deliver on deadline
- Communicate with other departmental contacts as needed
- Other duties as assigned

Pay Rate starts at \$17.30/hour

Apply and Contact:

To apply, please complete the application found on the UCLA Handshake website and include an online portfolio link of work samples.
