

## Little Bruins Clubhouse Staff

The purpose of the Little Bruins Clubhouse Staff is to provide evening supervision for the clubhouse. The clubhouse, funded in large part by the social justice referendum, provides free and reduced cost evening youth programming for student dependents at the John Wooden Center for children diaper graduate to age 14. This program provides student dependents with a supervised, kid friendly environment for group and independent play or study time with trained youth counselors who engage children in age appropriate activities while student parents attend class or participate in evening programs or study groups on campus.
