PROGRAM DESCRIPTIONS

BOB

In this musical theater program, campers experience the thrill of performance as they take center stage in a fully mounted musical production of Disney's The Little Mermaid Jr. Additional activities include arts and crafts, group voice and dance instruction and dramatic play.

Available Positions: Counselor/Coordinator (PM)

CIT

This 2 weeklong program helps campers build valuable professional and personal skills, while giving them practical experience working with youth. Each session will begin with a full day of training, team building and camp orientation with our CIT Coordinator. The rest of the session will include a combination of hands-on experience, small group workshops and individual mentorship opportunities.

Available Positions: Counselor/Coordinator (AD)

Discover

Camp Discover is an action-packed program that provides campers a chance to be active in a variety of areas. These activities include recreational swimming, challenge course, field games, rock wall, arts & crafts, campus-wide scavenger hunt, and an extended weekly field trip (refer to schedule).

Available Positions: Counselor/Coordinator (AD)

Esports

In Esports, the sky is the limit! Campers will be immersed in the world of Minecraft and explore fun and creative ways to build iconic structures, statues, and anything your imagination can dream up.

Available Positions: Counselor/Coordinator (PM/AD)

Expressions

In Expressions, our visual and performing arts camp, young artists will create multi-media projects using innovative materials drawing inspiration from a variety of world arts. Create your own comic strip and then embody your new hero or anti-hero in our character cos play. Explore puppets and masks used worldwide and then build your own epic pieces. Design an avatar or logo and screen-print personalized gear. Activities include drawing, painting, collage, sculpture, drumming, theater and improv.

Available Positions: Counselor/Coordinator (PM)

Imagination Station

Imagination Station is our science, creative thinking and engineering program. Activities range from making slime, designing your own marshmallow catapult, solving fun mysteries, creating wearable art and much more.

Available Positions: Counselor/Coordinator (PM)

Teen Leadership

In this program, John Wooden's Pyramid of Success will be used as a lens for honing teen leadership skills. Campers have fun building confidence, diversity awareness, and social networking skills through team driven activities and community building projects. This program also includes recreational swimming and outdoor leisure time as well as a weekly walking field trip around the UCLA Campus.

Bruins on Water

Step on board for a summer of fun where science meets the sea. Campers will be introduced to the wonders of the Pacific Ocean through interactive science experiments and on water-aquatic activities. Under supervision of our trained staff, campers will learn the fundamentals of sailing, kayaking, and stand-up paddleboarding in Marina del Rey and put their skills to the test with games and challenges. Water activities will be supplemented with land-based instruction, science experiments, and art activities.

Sailing Camp

The horizon's the limit as campers cast off and learn to sail. We combine land and water exercises to make a fun and challenging program with an emphasis on hands-on skills in seamanship, teamwork, and sportsmanship. All campers learn in our fleet of RS Quest sailboats in small groups and progress through beginning instruction and group challenges with an opportunity to advance to intermediate and more technical lessons. No previous sailing experience is necessary.

Watersport Sampler

Get the best of all water worlds in this multisport instructional camp. Campers will learn the fundamentals of sailing, kayaking, and stand-up paddleboarding in Marina del Rey and put their skills to the test with games and challenges. Water activities will be supplemented with outdoor distanced land-based instruction and STEM activities.
