

## **Outdoor Adventures: Bike Shop & Rental Center Employee**

Employees of the Bike Shop maintain the safest and most-welcoming environment possible for DIY customers and ourselves. Our goal is to empower customers by providing them the opportunity to learn how to do their own repairs with a little bit of guidance from us.

Employees of the Rental Center maintain Rental-Center Gear, provide outdoor-equipment rentals to current members of UCLA Recreation, and undertake general projects as needed in the Outdoor-Adventures workplace. Specific tasks depend on time of year and present condition of equipment, but Rental-Center employees should expect to consistently be on task because there is always work to be done.

### **Job Qualifications**

#### *Required*

- Currently enrolled as a UCLA Student
- Professionally represent UCLA Recreation
- Complete a background check
- Be certified in or obtain certification for CPR, first aid, and AED within one quarter of being hired. We sometimes offer free training and certification if you do not have this already.
- Ability to work Spring and Summer 2022

#### *Preferred*

- Excellent oral and written communication skills
- Punctuality and reliability
- Ability to keep up with the high volume of customers
